RE: FOIA Request No. 23-02660-F

Dear Margaret Moran:

This letter is a final response to your request for information pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. § 552, dated August 25, 2023, and received in the U.S. Department of Education's (Department) FOIA Service Center on August 28, 2023. You requested the following:

- “ • A complete listing of all institutions with unpaid liabilities stemming from closures or compliance and enforcement actions,
• The amount of those liabilities, and
• The date on which the liabilities were assessed.

Effectively, this request is for the same report sought in our previous FOIA requests, but with updated data for this past month. From the Department's prior responses, we understand that the Department generally produces these reports as of the month-end. Thus, the Department can construe this request for reports produced as of July 31, 2023.

We also request that the Department produce this chart in a native or spreadsheet format (e.g., Microsoft Excel) in addition to (or in lieu of) producing as a PDF.

Further, the answers we provided in our February 16, 2021, response to the Department's February 10, 2021, request for clarification remain the same. Our answers were as follows: •

- Date Range of Record: While we have requested a listing of all institutions with currently outstanding liabilities, please prioritize liabilities assessed over the last ten years.
- Scope:
 - Our request includes all unpaid amounts owed to the Department. This includes fines and any other liabilities owed, including civil penalties, liabilities stemming from closures, and liabilities associated with any other compliance and enforcement actions (including program reviews and audit determinations).
 - Our request is to include closeout audit, FAD, and FRPD liabilities outstanding from schools no longer in the program, such as closed school discharge liabilities. Our request also includes

unpaid FAD and FPRD liabilities from institutions that are still participating in Title IV programs. Alternatively put, this request includes any instance in which the Department assessed a financial liability or other payment obligation that remains unpaid, whether or not the school is still in the program.”

Your request was forwarded to Federal Student Aid and the Office of Finance and Operations. The Department has identified a spreadsheet that is being released in full.
